## PROJECTS

*Jersey Archive Extension*

BDK Architects were appointed to undertake the project for extending the Jersey Archive Center. The main component of the clients brief was to double the storage capacity, to provide increased capacity for incoming records processing, a larger server room for digital archives. Brigitte produced concept drawings, 2D detailed drawings for various construction stages, 3D fly through movies and CG Images for the project presentations. She worked in collaboration with a wide range of multi disciplinary construction professionals.

*Jersey Cheshire Home Extension*

BDK Architects has undertaken a series of five projects to upgrade, improve and extend Jersey Cheshire Home's facilities providing extra-care for seriously disabled residents. The recent £1.5M project extended Jersey Cheshire Home by adding another six residents' bedrooms over their north car-park area, upgrading existing bedrooms to en-suite, building a staff annexe and a second hospital sized lift together with other internal alterations. Brigitte produced drawings for various construction stages as well as 3D Movie Animations and CG Images for the client.
